

About the University

The University of Hyderabad, a premier institution of postgraduate teaching and research in the country, was established by an Act of Parliament (Act No. 39 of 1974) on 2nd October 1974 as a Central University, wholly funded by the University Grants Commission, is a Unitary University situated at Gachibowli, Hyderabad. The Institute of Eminence status was accorded by the Government of India to the University of Hyderabad in September 2019 is a recognition of the university's standing, ability and potential to move into the league of the world's best institutions. With additional funding and autonomy, we are positioned to figure in the World's 500 best Universities in the next few years. The University underwent a rigorous evaluation by the National Assessment and Accreditation Council (NAAC) of the University Grants Commission. The Apex Council of NAAC awarded the top grade to the University. The University was re-accredited by NAAC, awarding us a Cumulative Grade Point Average (CGPA) of 3.72 on a 4.0 scale at 'A' grade for a period of 5 years up to Feb 2020 in the third cycle.

About the School

The School of Mathematics and Statistics was a part of the School of Mathematics and Computer/ Information Sciences, as a department which was established in February 1978 with Prof. M. Venkata Raman, Formerly Head, Department of mathematics, Madurai University, as the first Dean of the School. The Department of Mathematics and Statistics was upgraded to School of Mathematics and Statistics on 22nd January 2013. Currently there are 17 faculty members with research specialization cutting across the broad areas of Algebra, Analysis, Geometry, Number theory, Applied mathematics, Statistics and Operation Research. The school has received recognition from various funding agencies. DST has selected this school under its FIST (Funds for Infrastructure in Science and Technology) (Level II) scheme. The school has also been chosen by the UGC for support under COSIST (Committee for Strengthening Infrastructure in Science & Technology) programme. It is also a recipient of the Special Assistance Programme (SAP) of the UGC. The National Board of Higher Mathematics, (NBHM) has recognized our library as a regional library of the NBHM, and thus provides library grant each year for subscribing journals in Mathematics and Mathematical Statistics.

National Conference on the Recent Developments in Mathematical Sciences-2024

February 12-14, 2024

Organized by

School of Mathematics and Statistics,
University of Hyderabad,
Hyderabad-500046

About the Conference

The main goal of this conference is to facilitate the researchers to stay abreast with recent developments in the areas of mathematics and computing. We are organizing parallel symposiums on the following topics: Dynamical Systems, Fractional Differential Equations, Differential Equations (ODE & PDE), Difference Equations, Time Scales, Algebra, Representation Theory, Number Theory, Algebraic Geometry, Fluid Dynamics, Complex Analysis, Functional Analysis, Fuzzy Logics, Probability and Statistics, History of Mathematics in India, Artificial Intelligence, IoT, Machine Learning, WSN, Data Mining, Theoretical Computer Science, Cryptography, Image Processing. The conference's scientific program will include invited talks, symposiums and paper presentations.

Conference Venue

School of Mathematics and Statistics
University of Hyderabad
Prof. C. R. Rao Road, Gachibowli,
Hyderabad-500046

Call for Papers

There will be a paper presentation session for contributory papers. The abstract of such contributions can be submitted through ncrdms2024@uohyd.ac.in

Important Dates

Last Date of Abstract Submission:

5th Feb 2024

Acceptance of abstract: 5th Feb 2024

Last Date of Registration: 5th Feb 2024
